Spoilage Rate is 3% per print location or 5 pieces, whichever is higher

Polyester Garment Disclaimer: When printing on polyester, nylon, or blends-we print with polyester or dye blocking inks to help prevent dye migration of the garment color into the ink. We however can not guarantee the garment dye will not migrate and we are not responsible for migrated garments even over and above spoilage rate.

Quote pricing is valid for 30 days from creation, decorating costs will be locked in during that time pending any changes. However, garment costs subject to change pending wholesalers and manufactures. Dates on quotes are not valid or set until quote is approved, and are subject to change at anytime.
